[Issued patents](#)

[Applications](#)

[APPLICATION] [File recovery under Linux operating system](#)

US Pat. 19764205 - Filed Jan 23, 2004

A method in a data-processing system for **recovering data**, ... of: permitting a user to specify a plurality of **rules** for **recycling** said data; **recycling** said ...

[Pipelined data processing including program counter recycling](#)

US Pat. 5922070 - Filed Dec 7, 1994 - Texas Instruments Incorporated

4 to enable the **data** processing tures may cause execution to be halted. In both instances, the device of the present invention to **recover** successfully from ...

[Textual substitution data compression with finite length search windows](#)

US Pat. 4906991 - Filed Apr 29, 1988 - Xerox Corporation

As a result of this **recycling**, the compressor 62 subdivides longer literal ...

The cut-off depth of the links provided by the search tree **data** structure 73 ...

[Search tree data structure encoding for textual substitution data ...](#)

US Pat. 5068144 - Filed Aug 16, 1989 - Xerox Corporation

As a result of this **recycling**, the compressor 62 subdivides longer literal 45

... The cut-off depth of the links provided by the search tree **data** structure

...

[APPLICATION] [Method and apparatus to promote used oil filter recycling and biological](#)

US Pat. 11848409 - Filed Dec 28, 2006

Combining **data** from the statewide survey and block grantee reports to ...

**recycling** is a more effective way of **recovering** used oil than previously thought

...

[Methods of recovering catalyst in solution in the oxidation of cyclohexane ...](#)

US Pat. 6218573 - Filed Jun 30, 1999 - RPC Inc.

The fuzzy logic systems are based on intuition **rules** in addition to expertise

... A method as defined in claim 1, further comprising a step of **recycling** the

...

[APPLICATION] [Service management method, product-in-circulation to which the same is ...](#)

US Pat. 11982335 - Filed Oct 31, 2007 - Sharp Kabushiki Kaisha

73(b) by clipping cartridge **data** of those cartridges which were used during a

... **recover** the product-in-circulation 6 before the toner is consumed. ...

[Product design support method and system](#)

US Pat. 7747623 - Filed Feb 8, 2007 - Hitachi, Ltd.

In recent years, **rules** and regulations obligating the manufacturers and importers to **recover** and recycle waste com- 35 modifies have been enacted in many ...

[APPLICATION] [Systems and methods for monitoring a quantity of waste in a waste transfer ...](#)

US Pat. 11364303 - Filed Mar 21, 2006 - Casella Waste Systems, Inc.

... management and **recycling** services for communities and organizations. ...

Consequently, due to delays that may be associated with manually entering **data**,

...

[Instruction generating system and process via symbolic representations](#)

US Pat. 7219310 - Filed Nov 5, 2001 - Xerox Corporation

It also includes **data** such as program names, number of elements per process, ... disconnecting, cleaning, **recovering**, **recycling**, cutting, verifying, ...
